EX30-OCS

# Unrivalled Power Using Oscillating Cleaning Methods

## Benefits:

1. Stainless steel build for guaranteed durability and virtually zero maintenance in industrial applications
2. Fastest cleaning results: dual action cleaning speeds of 10 times that of standard floor cleaners means the Topfloor EX30-OCS delivers the fastest cleaning results
3. Fast oscillating movement of the scrub head makes this machine perfect for restoring high shine to stone floors, cleaning tough ingrained dirt and sanding and restoring wood floors in less time with less effort.
4. Reduce repetitive strain injury (RSI) with no swing cleaning, thanks to the oscillating cleaning head which floats across the floor surface.
5. Adjustable handle height makes for comfortable cleaning for any operator.
6. Long orange power cable for increased visibility to prevent health and safety hazards, and increase cleaning radius

## What is the Oscillating Cleaning?

- The oscillating method of cleaning is 2800 fast, circular movements of approximately 1cm/0.39 inch per minute.

## Cleaning Direction is Forward / Reverse

**EX30-OCS**

# Multipurpose Oscillating Cleaning Method for Hard Floors & Stone Restoration

## Hard Floor Cleaning

### **WATER ONLY**

Scrub anti slip floors, tiles and more with just water for amazing cleaning results

## Hard Floor Cleaning
