

Simple, Trustworthy And Cost Effective

**Requiring Minimum Training For
Daily Use And Maintenance**

SC530

Reliability is also our mantra when it comes to service

The SC530 is a simple, trustworthy and cost-effective scrubber dryer and the perfect choice for applications such as schools, hospitals, supermarkets and public buildings, as the SC530 allows to cover big areas reducing time and increasing productivity thanks to its 61 liter tank capacity.

On the SC530 you find standard features like:

- Easy to use with OneTouch™ button to activates all scrubbing functions
- Tilting recovery tank for easy access to batteries and chemicals
- Ergonomic pedal to easily lift and lower the deck
- Easy click-on and off system releases the brush/ pad effortlessly
- Excellent water pick-up

SC530 comes in two versions: Non-traction and traction. The traction version grants easier maneuverability and allows effortless driving control for the operator.

Solution hose is easy to disconnect and the solution tank can quickly be filled with water

Solution flow regulation can be change from the driving position according to the floor type and level of dirt
